Policies and Procedures

Booking

To ensure a successful event, please reserve your date as soon as possible. We request that contracts be signed seven business days after proposal (including menu choices and number of guests). For all parties, we require menu choices be confirmed five business days prior to your event. We cater to groups of 25 people minimum, unless otherwise noted.

Guarantee Policy

In order to accurately prepare for your event, we ask that you provide the guaranteed number of guests by 2pm, five business days prior to your scheduled event. Saturday and Sunday events must be finalized by 2pm, the previous Monday. Food quantities, service items and billing will be based on this number. An adjustment of 10% of the final guest guarantee will be allowed up to forty-eight (48) hours prior to event date. We will make every effort to accommodate changes after this final count is set; however, we cannot guarantee availability of all items, and additional charges may apply.

Cancellation Policy

Cancellations of less than three business days are subject to a cancellation fee of 50% of the estimated total. Orders cancelled within 1 business day are subject to full charges.

Inclement Weather Policy

In the extremely rare event that the University officially closes during adverse weather, or threat of impending inclement weather, the client will not incur any charges associated with their event. If the University remains open, but the client makes the decision to cancel their event for any weather-related reason, they will be required to inform the caterer 48 hours in advance in order to avoid any charges. If the client does not cancel within 48-hour time period, they will be billed 35% of the estimate cost. All other scenarios will revert to the normal cancellation policy noted in the menu.

Leftover Food Policy

In accordance with the Wake County Health Department recommendations regarding food health and safety, it is McKimmon Center policy that all leftover food remains the property of the caterer and cannot be removed from the catered event space by the client. This policy is intended to limit the risk of food borne illness due to improper handling or storage of leftover food items. All leftover food and drink will be disposed of by the caterer at the conclusion of the meal function.

Staff Allowance

All service prices are based on a basic staffing fee with a two hour time frame up to 25 guests. Additional Servers will be charged at a rate of \$2 per person (guest) per hour or part thereof. Additional Staffing may be suggested depending on event size and circumstances for an additional fee.

Inclusions

Biodegradable paper plates, napkins, plastic utensils, paper cups and placemats are included in all catered menu pricing. All food and beverage tables will be covered with linen tablecloths.
